N. H. 33, Gosaidih, Bundu, District : Ranchi (Jharkhand)

ARYA GYAN PRACHAR SAMITI, RANCHI

Vision & Visionaries

The DAV Institutions are the gift of Arya Samaj, a progressive movement founded by Swami Dayanand Saraswati in 1875. Swami Dayanand Saraswati, the great path-maker of modern India, led a crusade against the superstitious and pernicious practices that prevailed in contemporary India. With a view to bring about a balanced and harmonious development of the future citizens of this country and to infuse in them the ideals of Vedic Culture and high sense of patriotism, Arya Samaj founded a school, in Lahore in 1886 by the name of DAYANAND ANGLO VEDIC SCHOOL.

The Cherished Memory of

Mahatma Narayan Das Grover is the founding father of Arya Gyan Prachar Samiti and Bhishma Pitamaha of the DAV family. He was a Karmayogi in the real sense with great courage, believed in creation with broader vision for humanity. He was a great Acharya and philanthropist who reigned in the hearts and minds of millions of poor & underprivileged.

In 1981, a group of visionary citizens and Philanthropist Mahatma N.D. Grover, as our Yugdrastha (Leader) has opened many schools in Bihar, Jharkhand & Orissa. In this chain Mahatma had decided that Bundu sub-divisional headquarter, needed schools that would yield "self-discipline".

"Arya Gyan Prachar Samiti" (Regd. under society registration Act 1860 in Jharkhand) is equal to the ideological groups of social activities, social reformers, renowned educational, professional and social workers.

The Arya Gyan Prachar Samiti is having two reputed schools at Ranchi, DAV Nandraj Public School, Bariatu affiliated to CBSE up to class X, and DAV Nandraj Modern school, Bardwan Compound and Orphanage, Bariatu & Old Age Home (Senior Citizen), Bariatu are also running.

Mahatma N D Grover DAV Public School, Bundu is a progressive child centered co-educational CBSE pattern school managed by (Arya Gyan Prachar Samiti) Ranchi. The school has been catering to the needs of students for 3 years from class pre-primary and will be upgraded to class XII year by year for providing complete schooling of students of Panch Pargana (Bundu, Tamar, Arki and Sonahatu). The school aims to achieve high academic standard with all round development of character and personality of students. Stress is given on vocational training to make the students independent, self-confident and self employed.

Aims & Objectives

The school provides a congenial environment for all round development of the whole personality and its integration in students as regards personal hygiene, neatness of uniform, cleanliness of surroundings, graceful manners, obedience and discipline. To achieve high academic standards personal attention is given to each individual child.

The school has a staff of highly qualified, dedicated and experienced teachers.

The strength and success of D.A.V. Nandraj Public School lies in the harmonious blend of science and technology and a sound grounding of ancient Vedic Culture.

The aim of D.A.V Nandraj School is to inculcate in the students a thirst for knowledge, devotion to duty, honesty, patriotic fervour besides humanism. We impart an education to build and an education to pay.

1. Academics & educational achievement through teachers who make the lessons very interesting by following various methods of teaching viz. demonstration, experimentation, project work, home assignment, play way micro teaching structure method etc.

Assembly and moral Education

To inculcate moral values in the students the school starts each working day with the morning assembly, with the recitation of Vedic Mantras, devotional songs, patriotic songs and thought for the day. Stress is laid on the universal aspects and eternal values of Indian Culture. Short talks are given by the students and the teachers on a variety of subjects and important current events. The news is read by the students daily. Every morning the assembly is dispersed with the singing of the National Anthem.

Hawan yajna is performed every Saturday and Dharma Shiksha books are prescribed to imbibe in students moral values. Vedic initiation camps are held twice a year.

Learning through Interaction

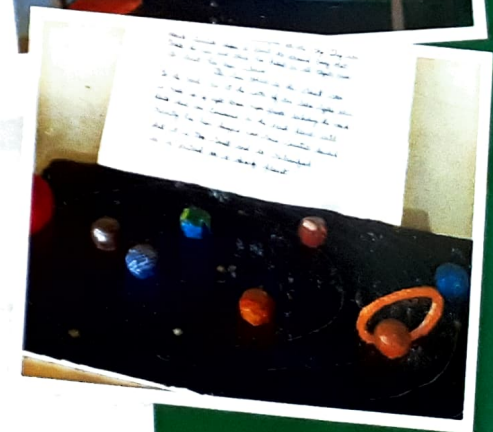

The school is a platform for fruitful interaction between the two which means a healthy learning experience and better quality of education. To inculcate the feeling of togetherness, the spirit of shared learning interaction and the exchange of ideas amongst the teacher are very important. The teachers armed with love and patience would, penetrate the impressionable minds of the young ones.

Emphasis on pre-primary Education

Keeping in view the most formative part of a child's life our pre-primary section functions as a catalyst to accelerate optimum development of a child. Development of a young child is a continuous process and is influenced by a child's experiences which have a bearing on his/her attitudes towards most of the situations he/she is likely to face later in life. The child's mind set is thus activated to absorb the essence of story telling, recitation and rhymes which capture their imagination when narrated with meaningful actions and body language. Early education is thus the most significant tool for responding to certain areas critical in the later stages of development of a child.

Sports & Co-Curricular Activities

- 1. Games and Sports :** The school aims at an all round development of the students. The children get an excellent opportunity to develop their interest and ability in the games and sports under the guidance of trained instructors. Annual sports give an opportunity to students to participate in different sporting events.
- 2. Art and Craft :** While science relates to intellect and inventions, Art and Craft stir the emotions. The school has a separate art and craft section where the varied creative interests of students are taken care of under the guidance and supervision of professionally trained teachers. Artwork and paintings are exhibited from time to time so as to provide expression and recognition of their talent.
- 3. Yoga :** In order to achieve the integral growth of mind and body and self-management of behaviour, thoughts and attitudes the practice of YOGA is important which is a part of the curriculum in the school. This helps the students to cope with any kind of stress adversity.
- 4. Music & Dance :** Apart from their studies, the school provides music & dance training to the students for their overall development. It reduces their burden of hectic schedule of studies and gives them ample time for their recreation. In fact, it soothes the minds of the students and makes them active.

5. Drawings Painting : The students get excellent training in learning drawing and painting in the ever guidance of our art teacher.

6. Co-Curricular Activities : The child is exposed to co-curricular activities like reading, sketching, dancing and public speaking and ensure that discipline become the second nature of the child. Individual and consistent monitoring of every student enables the teacher to recognize the field in which a particular child can excel. Children with similar interests and inclinations are grouped together and the teachers help them to nurse and cultivate their talents.

Quiz show, debate, group/solo dance etc. are among various items which are taken one by one to organize contest among the house. A regular record of the excellent performers is maintained and such star performers are sent as and when required to participate in the inter school competitions.
